**MEMORANDUM FOR:** Chief, Administrative Staff, O/BD/I

**SUBJECT:** OBI Statement of Mission and Functions and  
Organization Chart

Attached are a revised statement of Mission and Functions and a revised organization chart for the new Office of Basic Intelligence. The statement is a reworking of the mission and functions of the old OBI and the Geographic Research Area of ORR. An attempt has been made to condense and simplify the material contained in the previous statements. The Divisions of the Office have been arranged alphabetically on the organization chart which, I think, follows the pattern in other Offices. Both the statement of Mission and Functions and the chart have been coordinated with officers of the present OBI.
